POSTA IN ORIZZONTALE PER I CESTONI O IN VERTICALE PER LE ANTE A BATTENTE,È LA MANIGLIA LA PROTAGONISTA DELLA COLLEZIONE OPERA.
DA ELEMENTO TECNICO SA TRASFORMARSI IN DECORO,CON FINITURA RAME, OTTONE, BRUNITO O BIANCO E A RICHIESTA, IN TUTTI I COLORI LACCATI SAND.

Positioned horizontally for jumbo drawers or vertically for hinged doors, the handle is the protagonist of Opera collection.
It can change from a technical element to a decorative one, with Rame (copper), Ottone (brass), Brunito (burnished) or Bianco (white) finish. And upon request, in all sand matt lacquer colours.

Placée horizontalement pour les tiroirs ou verticalement pour les portes battantes, la poignée est la protagoniste de la collection Opera.
De élément technique la poignée se transforme en ornement, avec finition cuivre, laiton, bruni ou blanc. Et sur demande, dans toutes les couleurs laqués Sand.

Se pone horizontal para los cajones y vertical para las puertas batientes, es el tirador protagonista de la coleción Opera.
Un tirador que de elemento técnico se convierte en decoración, con acabado Cobre, Rame, Latón, Brunito o Blanco. Bajo pedido, en todos los colores lacados.

Rame

Ottone
